# Edward Lorentz

## Entry-level Data Analyst

Detail oriented worker and team player seeking an internship or entry-level position as a data analyst, utilizing my skills in data analysis, statistical modeling, programming, and problem-solving.

## SUMMARY

Current undergraduate Statistics student with relevant coursework in Computer Science at Mizzou looking to find work this summer in the field of data analysis. The skills I'm excited to apply are data analysis and visualization in R, database management in SQL, and user interface design in Java

## WORK EXPERIENCE

### Team Member

**April 2020-Present**

Target, 3849 Vogel Rd, Arnold, MO 63010

- Stocked shelves and updated inventory
- Picked, prepped, packed, and stowed online orders with elite speed and accuracy
- Worked as cashier or guest service personnel whenever the team required it

### Kitchen Staff

**April 2017-August 2022**

Dough Depot, Kimmswick MO

- Washed dishes, took out trash, and mixed lemonade/tea
- Made salads with speed and attention to portion sizes
- Communicated effectively with other kitchen staff to coordinate the placement, timing, and content accuracy of orders
- Responsibly took food out of the oven, cut, prepped, and placed food in correct place

## Leadership Experience

### Chaplin

**December 2022-December 2023**

Pi Kappa Phi, University of Missouri – Columbia

- Planned the new member education process with the Warden (Nick Kapp)
- Created new activities complete with detailed prep and execution instructions for future Chaplins to utilize
- Recruited a motivated committee (~10 men) to organize activities on a weekly basis
- Was ultimately responsible for initiating 50 members of one of the biggest fraternities at the University of Missouri

### Drum Major

**July 2019-December 2019**

Windsor Golden Brigade, Imperial MO

- Was the co-highest ranking student leader in the marching band
- Conducted the band from a podium to keep time and signal dynamics, emotion, and style changes throughout the show

### Philmont Crew 703N Navigator

**July 2017**

Troop 416 Imperial MO

- Was responsible for reading the map and relaying directions to the pace-setter and crew leader
- Served as 2<sup>nd</sup> in command among scouts in the crew
